Explanation of Responses:

- Represents the number of shares required to be sold by the reporting person to cover tax withholding obligations in connection with the vesting of restricted stock units. The Issuer has adopted a "sell-to-cover" policy to satisfy the tax withholding obligations of the reporting person. The sales reported on this Form 4 represent the number of shares required to be sold by the reporting person to cover tax withholding obligations in connection with the vesting of restricted share units. Such sales were automatic and intended to qualify under Rule 10b5-1.
- These shares are held in irrevocable trusts for the benefit of the reporting person's children. The reporting person's spouse is trustee of the trusts. The reporting person disclaims beneficial ownership of these securities, and the filing of this report is not an admission that the reporting person is the beneficial owner of these securities for purposes of Section 16 or for any other purpose.
